Translation link (from Amazon)	https://s3-eu-west-1.amazonaws.com/gl-translations/
--------------------------------	---

4. Helpdesk

Zendesk	https://gamelearn.zendesk.com
---------	---

5. Email address configuration

Gamelearn email and communications	no-reply@gamelearn.io
------------------------------------	--

IMPORTANT: Configure your Outlook (or other email management service) so that you receive all the emails that we send you. You will need to do so, so that the business participants can receive their access to the courses and be able to create their password.

We use an external email distribution service. The emails will come from "no-reply@gamelearn.io" and the IP address is: 198.2.180.51

Thank you for common teamwork!
